REQUEST FOR ACKNOWLEDGEMENT OF PRIORITY CLAIM
& RECEIPT OF CERTIFIED COPY

Dear Sir:

The Notice of Allowability indicated that "none" of the certified copies of the priority documents have not been received, namely Korean Application 10-2004-0004250.

This application was filed as a 371 Completion of International Application PCT/KR2004/002526 filed October 1, 2004, which claims priority from Korean Patent Application 10-2004-0004250 filed January 20, 2004.

Attached is a copy from the PAIR Image File Wrapper. On July 19, 2006, there resides a document submitted with the 371 application, namely Form PCT/IB304, which indicates that the certified copy of the Korean priority application was timely filed during the PCT international phase. Also attached is a copy from the PCT/WIPO PAIR Website, showing the Korean certified copy as received by the International Bureau.
